

RESOLUTION
THE OURAY COUNTY
BOARD OF COUNTY COMMISSIONERS

Concerning: Surplus Property Declaration
To be disposed of in accordance with the Surplus Property Policy

Whereas, on March 3, 2008, the Board of County Commissioners of Ouray County, Colorado, adopted Resolution 2008-012 authorizing the sale of a Sheriff's Office 2003 Dodge Dakota via public auction on March 27, 2008; and

Whereas, the Sheriff's Office, prior to the auction, has determined upon further research that the Dodge Dakota would not be as good a candidate for public auction as would a different vehicle in its fleet; and

Whereas, the following property also meets the surplus property criteria set forth in the Surplus Property Policy, Section 2C, that states "the property is damaged, worn out or otherwise inoperable and the cost of repairing the same is unwise or impractical;" and Section 2D that states "the property has been utilized for a period of time equal to its useful life;" and

Whereas, the following property meets the surplus property criteria set forth in the Surplus Property Policy, Section 3.B., fourth paragraph, that states "When so directed by the Board of County Commissioners, the County Administrator or designated representative shall proceed to sell the same through a noticed public auction, or through a request for sealed bids advertised in the legal paper of record at least one time fourteen days prior to the bid opening."

Now, Therefore, Be It Resolved, by the Board of County Commissioners of Ouray County, Colorado that the Dodge Dakota previously declared as surplus property by Resolution 2008-012 is no longer considered surplus property and that the following vehicle is hereby declared "Surplus Property," and that proper procedures be followed (in accordance with the Ouray County Disposal of Surplus Property Policy) for its disposal through a request for sealed bids advertised in the legal paper of record at least one time fourteen days prior to the bid opening..
