

RESOLUTION
OURAY COUNTY BOARD OF COMMISSIONERS
OURAY COUNTY, COLORADO

Re: County Facility Use for Energy Efficiency Trainings

Whereas, the Ouray County Board of County Commissioners is working on policy for the enhancement of sustainable energy; and

Whereas, the Ouray County Board of County Commissioners is supportive of reviewing and utilizing efficient energy uses; and

Whereas, pursuant to the provisions of C.R.S. §30-28-201(3) Ouray County will be required to adopt a new Energy Conservation Code that will meet or exceed the standards in the 2003 version of the international energy conservation code (“Energy Code”); and

Whereas, the adoption and enforcement of a new Energy Code will require the Ouray County Building Official and the Ouray County Planner to become familiar with the specific requirements and guidelines of the new Energy Code; and

Whereas, the Colorado Governor’s Energy Office is scheduling certain workshops and training sessions related to the requirements of the new Energy Code; and

Whereas, the Governor’s Energy Office has scheduled an energy efficiency training to be held on April 18, 2008, commencing at 8:00 a.m., at the Ouray County Land Use / Road and Bridge Facility conference room, which training will assist the Ouray County Building Official and the Ouray County Planner, as well as the contractors in the area who will be required to comply with the new Energy Code, in familiarizing themselves with the requirements of the new Energy Code; and

Whereas, future energy efficiency trainings may be sponsored or endorsed by the County for various aspects of compliance with the new Energy Code and such trainings may be attended by various Ouray County staff and officials; and

Whereas, such energy efficiency trainings will be conducted by representatives or agents of the Governor’s Energy Office and not by private entities or companies; and

Whereas, the Ouray County Board of County Commissioners believes that it is in the best interests of the citizens of Ouray County to permit Ouray County facilities to be utilized by representatives or agents of the Governor’s Energy Office to conduct appropriate trainings for Ouray County staff and citizens in order to effectively use and enforce the new Energy Code;

Now, Therefore, Be It Resolved by the Board of County Commissioners of Ouray County, Colorado, that **Resolution #2008-019** is adopted authorizing the use of County facilities, at no cost, for the April 18, 2008 energy efficiency training and for future energy efficiency trainings to be

conducted by representatives or agents of the Governor's Energy Office and that are sponsored or endorsed by Ouray County.

Adopted this 14th day of April 2008.
