

**OURAY COUNTY
COURTHOUSE RESTORATION / NEW CONSTRUCTION
PROJECT**

Good day! You may have been wondering about the status of the Courthouse Restoration / New Construction Project (“Courthouse Project”). Ouray County officials and employees have been working diligently on the planning components of the Courthouse Project including value engineering with the contractor and architect to sharpen the costs under a guaranteed maximum price (GMP) platform.

Good news! At a Special meeting of the Board of County Commissioners on January 24, 2019, the Board of County Commissioners of Ouray County entered into a Guaranteed Maximum Price Amendment to the original A133 Agreement with FCI, Constructors, Inc.; for the Courthouse Project, in an amount not to exceed \$8,071,695. Restoration and construction work will commence on February 1, 2019, with project completion slated for March, 2020.

A ground breaking ceremony has been scheduled for February 14, 2019, at 10:00 a.m., at the Ouray County Courthouse site, 541 4th Street, Ouray. Please join us for this celebratory event. ❤️
