

Unified Command Meeting Briefings for 02.22.2021

- Emergency Management – total of 1164 vaccines so far, 734 first 434 second; few cases came in this weekend;
- Public Health – no information from the state yet on whether we will shift to level Yellow; looking at testing more people to lower our positivity rate – will put out messaging regarding this; results for test have been 1-2 days lately; if there are any more “Ouray County Cares” masks we’d like to continue to give them out; still expecting the shipment of 400 doses of vaccine;
- Planning – no update
- PIOs – working with PH on messaging for new dial; continuing work on Mask up Monday post; will get pictures of people getting vaccines for potential new ad campaign.
- County Government – BOCC meeting is tomorrow (Tues), Tanner will be giving an update; county court is wanting to look at beginning in-person hearings again;
- Town of Ridgway – no update
- City of Ouray – discussions about a policy regarding out of state and international travel – should employees self-quarantine and/or get tested before arriving back to work;
