

Long Term Non-Commercial Camping is allowed in Ouray County when the applicant maintains continued compliance with Ordinance 2014-01 and the following conditions:

1. Parcel is not less than 3-acres.
2. No fee (except a trespass fee for hunting or fishing or an outfitters fee) is paid or charged for such occupancy
3. Such occupancy is in conformance with any applicable State or Federal regulations
4. Written permission from the owner of the tract or parcel occupied has been obtained
5. Adequate sanitation is available and approved by the Land Use Department (*no compost toilets*)
6. Long-term Camping Application has been approved by Ouray County, if proposed stay exceeds 30-days in a calendar year
7. No more than 1 (one) long-term camping permit may be issued per parcel, per calendar year.
8. Proof that any applicable Home Owners Association has been notified
9. The sanitation facility is completely screened from adjacent property owners and roads
10. Continued compliance with Ordinance 95-1 (*rubbish*) and 92-1 (*noise*)
11. A description of the potable water source is provided and deemed suitable by Staff
12. A bear-proof trash container is utilized
13. Proposed camping structure is sufficient to withstand normal seasonal use as determined by the Land Use Department
14. Proposed camping structure(s) comply with underlying zoning requirements, including setbacks, as listed in Section 3 and Section 9 of the Ouray County Land Use Code
15. Food storage and disposal does not create a public health or environmental hazard
16. RV's, campers, etc... must have current registration and plates
17. Structures used for camping beyond 30-days may be required to implement screening or blending techniques.
18. Any discharge of gray water into ground, stream, river, or ditch, is prohibited.
19. Non-commercial camping is allowed in a County approved PUD or subdivision when the subject property includes a primary dwelling unit, and, the proposed use is not otherwise prohibited.
20. Non-commercial camping permit ***not*** required for accessory structures, where a building permit was issued, and, the structure is accessory to a primary structures/dwelling unit.

PLEASE READ THE FOLLOWING CAREFULLY BEFORE YOU SIGN!

If approved, this permit will expire on the date listed below as approved. Separate permits are required from Ouray County, if constructing any structure. Additionally, separate permits are required from the State of Colorado for electrical and plumbing installations.

I hereby certify that I have read this application completely and that all information provided is correct to the best of my knowledge. All laws, regulations, and ordinances governing the scope of the project contemplated by this application will be complied with, whether or not specifically described within this application. I understand that providing false or misleading information may result in any permit(s) issued being revoked. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating the scope of the project contemplated by this application.

I understand that this application may be open for public inspection as required by the Colorado Open Records Law (C.R.S. 24-72-202, et seq.) and that my personal information contained on this application may be available to the public for review.

Staff Notes:

NOTE TO USERS OF PERSONAL OR COMMERCIAL PORT-O-POTTY UNITS:

Personal Port-O-Potty

Units shall be maintained in a safe and sanitary condition and shall not create a health hazard. Units shall be serviced on a regular basis and contents emptied into a facility licensed and approved by the CDPHE. All records shall be maintained by the user and shall be provided to County Staff upon request.

Commercial Port-O-Potty

Units shall be maintained in a safe and sanitary condition and shall not create a health hazard. Units shall be serviced on a regular basis by a licensed “systems cleaner” and contents emptied into a facility licensed and approved by the Colorado Department of Public Health and Environment (CDPHE). Units shall be secured with stakes or other approved mechanical means to avoid tipping. All records shall be maintained by the user and shall be provided to County Staff upon request.
