The Geographic Information System (GIS) and its components are designed as a source of reference for answering inquiries, for planning, and for modeling. The GIS does not replace legal description information in the chain of title or other information contained in official government records such as those held by the Office of Clerk and Recorder and the courts. In addition, the representations of location in this map cannot be substituted for actual legal surveys.

The information contained herein is believed accurate and suitable for limited uses, subject to the limitations set forth above. No warranty is made as to the accuracy or suitability of any information contained herein. Users assume all risk and responsibility for any and all damages, including consequential damages which may flow from the user's use of this information.
